COUNTERFEIT! CAUTION TO PARTIES PURCHASING

S. N. PIKE'S Magnolia Whisky, CINCINNATI, OHIO.

THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY, would respectfully inform his customers and pur chasers of this celebrated brand, that there has appeare in chasers of this celebrated braind, that there has appeare I in the Charleston and other Southern markets a counterfeit of the above Whisky, being a poisonous imitation, braindy similar to his brand; it passes under the name of S. N. Dike's Magnolla Whisky, Cincinnail, Ohio, and other names similar to S. N. Fike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would purchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that it contains a deadly poison; this fact alone impels me to caution the public, protect those who are liable to be excived, and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnolla Whisky is distilled from the best qualitities of Rye and Corn, and is warranted free from any deleterious or obnoxious compound, it being a pure and healthy beverage.

Many parties have recently commenced making a brand of Whisky Callado Magnolla, but they are an immitation of Whisky Called Magnotta, but they are an immitation of my trade brand, so be careful at d get the only genuine Magnotta Whisky made in the United States, and distilled SAMPL N. As no oder proceeds from the preparation, the glove can e worn immediately after it is cleaned. With a plees of annel, spply a small portion of the preparation very ght y, and the dist will instantly disappear. It is the arche used by the Kid Glove Manufacturers of France to icle used by the Kid Giove Manuficturers of France to impart that purity of finish and softness for which their cloves are so justly celebrated. It cleans kid slippers and white and colored kid-gloves elegantly. It is also an excellent article for the totlet and for beautifying the complexion, removing tan, plumples, &c., far exceeds in excelence any of the thousand and one preparation usually old for that purpose. One trial, at the trilling expense of 15 cents, will convince any one that the article is all that it claimed to be. Try a bottle of it for 25 cents, and you if never wish to be without it. It can be obtained of all unglets and dealers in Fanc. Goods in Nashville, and st wholesale, of the sole proprietors, CLARK & CO., 835 Shoanway, Naw York. A liberal discount to the trade.
